What to Bring to Regular Camp

Your Bible, a notebook, pencils; bedding (a sleeping bag is fine); personal belongings (towel, soap, toothbrush, shampoo, etc.); some spending money for the canteen; payment for your week (if not prepaid); "play clothes" (casual shirts, T-shirts, jeans, and modest shorts); an extra pair of shoes for "grubbier" activities; modest swimsuit; jacket or sweater for occasional cool nights. (Sr. High campers may want to bring "nice" clothes for the Friday night banquet.) It is advisable to have the camper's clothes and belongings marked with their name. Please do not bring food, snacks, or pop.

Medications must be in the original labeled container, clearly marked with the camper's name. Placing them in a marked Zip-lock bags would be helpful. Medications (according to Health requirements by the State of NE) must be turned over to our Camp Medic or director who will see they are dispensed at the right times.

Since our purpose is to provide a specific setting and program, we ask that no cell phones, radios, MP3 players, Discman's, electronic games, etc. be brought to camp. Any of these items brought to camp, along with anything determined to cause distraction to others or be a safety concern, will be held in a safe place by the Camp Director and returned to the camper at the end of his week of camp. (The best way to reach your child is to call the camp phone number: 402-373-4433).

***A word to parents / caregivers of our campers:** We take very seriously your entrusting your child to us for a week. We strive to live up to that trust by insuring a safe and fun environment for all campers. Please help your camper come prepared according to the list above. We believe this will help each camper to have the most enjoyable and profitable experience at Glad Tidings. While our main emphasis is not on a child's appearance, we do expect our staff and campers to dress modestly and maintain cleanliness.*

Primary Camp Information:

Enjoy two days and one night at Camp Glad Tidings – Bible classes, skits, games, crafts, and great food. Our staff will supervise the children at all times. These campers need to bring 5 (or more) changes of clothing. Parents may stay or visit at no additional charge. Parents: Please bring everyday and work clothing. Activities and work projects are planned for parents, also. Note "What to Bring to Camp" above.

Along with completing the Registration Form on the front of this page, the Parent / Guardian must sign a Medical Release Form (found attached to this page or on the camp web site). Please mail the two forms (Registration and Medical Release) or bring them to camp with the camper. Without them, the camper will not be able to attend.
